Splitter 1 to 5 — 3.5 mm Jack

Accessory for The Pill by Shelly — connects up to 5 DS18B20 sensors

EAN code: 3800238073565

Product description

The Splitter 1 to 5 is a 3.5 mm jack splitter cable that connects up to five DS18B20 temperature sensors to The Pill by Shelly simultaneously. Ideal for multi-zone temperature monitoring in residential, commercial, and industrial settings.

Plug-and-play connection — insert the splitter into The Pill's jack adapter and attach your sensors. No configuration required.

Required main device: The Pill by Shelly (EAN 3800238073558).
Recommended companion: Temp. Sensor DS18B20 (EAN 3800238072087).
